WELCOME TO TIGER CUBS!

Tiger Cubs, BSA, was developed in 1982 to meet the needs and desires of a 7-year-old boy and his family. Over the years, parts of the program's structure have evolved with our changing society, but the basic elements have remained the same. Tiger Cubs is a simple, fun program for first-grade boys and their families.

Tiger Cubs introduces boys and their adult partners to the excitement of Cub Scouting as they "Search, Discover, Share." Tiger Cubs is designed to build stronger families through involvement in a simple, low-cost program that is flexible and fun for boys and adults. A shared leadership component, where a den leader works with boy-adult partner teams, gives everyone input into the planning and carrying out of activities.

The requirements are that the adult partner be 18 years of age or older, care about the boy, and be strongly committed to his well-being. The boy and his adult partner join Tiger Cubs together. They do all the family, den, and Go See It activities together. The adult partner is responsible for seeing that the boy is successful with his advancement in Tiger Cubs.

TIGER CUB DENS

Each Tiger Cub and his adult partner are considered a *team*, and five to nine Tiger Cub teams form a Tiger Cub *den*. Tiger Cubs runs on a *shared leadership* model. A Tiger Cub den leader works with a different boy-adult partner team each month to plan the den meetings, the Go See It, and the den's part in the pack meeting.

The Tiger Cub den should be actively involved in the pack meeting. The den leader should coordinate with the Cubmaster to determine what part the Tiger Cub den will play in the pack meeting. The den may prepare a simple song or skit,
