Why Cub Scout Sports?

The Cub Scout Sports program provides Cub Scouts with the opportunity to become acquainted with and participate in all kinds of sports—summer and winter sports, indoor and outdoor sports, active and less-active sports, and team and individual sports. When implemented properly, the program is an active physical fitness program for Cub Scouts.

A Cub Scout may participate in Sports activities in his unit, in his community, or by himself. However the boy participates, he will have fun learning a new sport, developing new skills, competing with his peers, and being recognized. Throughout his experience in the program, the Cub Scout is encouraged to learn and practice good sportsmanship, and to do his best.

*Loops and pins for archery and BB-gun shooting can be earned only in day camps, Cub Scout/Webelos Scout resident camps, council-managed family camping programs, or at council activities where there is properly trained supervision, and all guidelines for BSA shooting sports are implemented. Archery and BB-gun shooting belt loops and pins cannot be earned at the pack, den, or individual level. Requirements therefore are not included in this book.
